From your Welcome page, choice
"Course Catalogue" from the menu
located on the left of the page.

Next, pick your search criteria. Location is the easiest, just search for “Wake County EMS Training Center”.

The screenshot shows a web interface for a course catalogue search. At the top, there is a header with the text "Search Course Catalogue" and a help icon. Below this is a blue banner with the text "Course Catalogue" and "SEARCH COURSE CATALOGUE". The main search area contains a search input field, a "SEARCH" button, and several filter options:

- Show Course Calendar
- Search by: All course properties
- Training Type: All
- Your Zip Code: 27601
- Choose Distance: All Distances
- Location: Wake County EMS Training Center
- Course Starts: Any time

At the bottom of the page, there is a grey footer with the text "Course Catalogue" and a small icon of a book.

Finally, scroll through the list to find the course you would like to register for. You can click on the course name to see more details and/or you can just click “enroll”. It is that easy. The system will automatically email you with a confirmation.
